Pretreat your Cuddle fabric: to prevent too much fuzz and lint, let your cuddle strips take a spin in the dryer with a damp towel for about 10 minutes. This will remove all excess fibers.

List of required materials:

- Cuddle strips in apprx. 5x58"
- Sewing machine
- Regular needle or stretch/knit needle
- Cutting mat
- Rotary cutter
- Lip edge ruler
- Straight pins

Seam allowance: 3/8" unless stated otherwise

For the featured scarf you will need **2 strips** of approximately 5" width. See the sizing chart below to cut your piece lengths:

SIZE	length
Toddler - size 5t	38"
Size 6 - size 12	48"
Teen - Adult	58"

Use a regular straight stitch and sew all around the edge leaving a 6" opening for turning. Backstitch beginning and end by the opening:

Turn scarf with right sides out:

Fold in the opening edges and pin then sew along dashed line. Backstitch beginning and end:
